**Aims and Scope**

Journal of Foreign Language Teaching and Translation Studies, a peer-reviewed one, publishes research articles in wide range of topics in the areas of language teaching, translation and literary studies, including, discourse analysis, sociolinguistics, psycholinguistics, ESP, material development, teaching literature, children’s literature and stylistic analysis.

The journal is particularly keen to help make connections between fields, theories, research methods, and scholarly discourses and welcomes contributions which critically reflect on current practices in the areas mentioned above. Contributors are invited to submit their innovative manuscripts electronically to: efljournal@shbu.ac.ir.
By Virtue of the Ministry of Science, Research and Technology’s requirements of the present issue, the title of Sheikhhbahaee EFL Journal has changed to Journal of Foreign Language Teaching and Translation Studies
